

2011 Watermelon Grower's Meeting

KENNETT, MO.

On Wednesday, November 30, 2011 University of Missouri Extension is sponsoring the annual Watermelon Grower's Meeting starting at 8:00 a.m. at the American Legion Building in Kennett, MO.

Several speakers will give presentations including Dr. Dan Egel of Purdue University, Dr. Sanjun Gu, Missouri State Vegetable Specialist and Douglas Goodsen with the USDA.

Various industry representatives will be on hand for discussion, many with booths so you can see what they have available for 2012.

Lunch will be served after the presentations providing plenty of opportunity to network with area growers. We will also have order forms for the 2012 spray guides. For more information and to pre-register for lunch please call the Butler County University of Missouri Extension Office, at 573-686-8064. Δ
