

Alternative Energy Conference Set

BLOOMFIELD, MO.

University of Missouri Extension in cooperation with WIRED is holding an Alternative Energy Conference on Tuesday, March 4, at the University of Missouri Delta Center at Portageville, Mo. The conference will be from 9:00 am to 2 pm with registration starting at 8:30 am. Lunch will be provided.

The conference will focus on Renewable Energy and the potential for renewable energy applications in Southeast Missouri. Presentations will include; USDA Renewable Energy grants, photovoltaics, use of biodiesel in transporta-

tion, grain and energy projections and a panel of bio-diesel plant owners in Southeast Missouri. The luncheon keynote speaker will be Pete Nelson from Bio-Dimensions of Memphis, Tennessee. Pete will discuss a "Regional Strategy for the Development of Biobased Products and Biofuels".

There is a \$10 registration fee. Attendees must preregister by Wednesday, February 27. To preregister contact the Stoddard County University of Missouri Extension office at 573-568-3344 or stoddardco@missouri.edu . Δ
