

Annual River Hills Tractor Ride To Be Held July 30

PERRYVILLE, MO.

The 9th Annual River Hills Tractor Ride will be held July 30, 2011 at the Eastern end of Perry County. It will start at the Altenburg East Perry Fair Grounds at approximately 8:30 am.

After driving through the beautiful rolling hills of the county, the ride will make a brief stop at the Social Club. A second stop is planned at the Saxon Lutheran Memorial Village after driving through Brazeau. After the second brief stop, the ride will go past the Trinity Lutheran Church Museum and back to the Altenburg fairgrounds.

For the participants only there will be a Poker Run as part of the ride this year for a change of pace. A fish fry will take place after the ride at about 2:30 pm - 3:30 pm. Prizes will be given away at the end of the ride.

Although this ride is shorter than those in the past, there is much more to see along the way on this ride.
