

Eastern Missouri Livestock Auction

OCT. 22, 2010 • Bowling Green, Mo.

Receipts: 1425; Last Week: 728; Year Ago: 1197

Compared to last week, feeder steers and heifers sold sharply higher as calves and yearlings sold mostly \$5-10 higher on comparable sales with last week's light receipts. Most of the advance was on the yearling steers as they sold with very good demand. This week's sharply higher slaughter cattle market traded \$5 higher at \$101-102.50 giving good support to the feeder cattle market as did the good quality of feeder cattle that sold in Friday's auction. Slaughter cows sold mostly steady. The receipts included 17 percent slaughter and bred cows. The feeder supply was made up of 73 percent steers, 37 percent heifers and near 56 percent feeders weighing over 600 lbs.
