

Fayette County, Tenn. Extension Meetings Set

SOMERVILLE, TENN.

On Thursday, October 4, 2012, The Fayette County Extension Office along with DuPont will be hosting a Livestock Meeting focusing on Weed Control starting at 6:00 p.m. We will be in the field starting first at Larry and Annette Cutliff's farm-300 McCraw Loop Mason, Tenn. From There we will travel to Wesley Parks Sr. farm-17960 Hwy 76 Somerville, Tenn. After looking at demos, we will finish-up at the Sale Barn in Somerville-270 Enterprise Dr. Somerville, Tenn. At these two demo sites, John Booth and Ronnie Thompson with DuPont will present information on "Weed Control". As stated above, we will go to two farms where demos have been conducted. We will start at

Larry and Annette Cutliff's farm, go to Wesley Parks farm and finish at the sale barn with a meal/Q&A. For more info call Jeff Via at 901-465-5233 or email at jvia@utk.edu.

On Saturday, November 3, 2012, The Fayette County Extension Office along with the Fayette County Livestock Association and Mid-South Farmers Coop will be hosting their annual Somerville Bull Test. Don't miss the opportunity to get your bulls completely checked over before breeding season. This meeting will be held at the sale barn-270 Enterprise Dr. Somerville, Tennessee- starting at 8:00 a.m. Cost is \$35 for members and \$45 for non-members. Call the Extension Office at 901-465-5233 to reserve your spot or email Jeff Via at jvia@utk.edu. Δ
