

## Flieg's Equipment Honored By Vermeer

**Pictured from left to right are: Mark Core, VP of Vermeer Forage Solutions, Jason Flieg & Dave Flieg, of Flieg's Equipment.**

### **STE. GENEVIEVE, MO.**

**F**lieg's Equipment, of Ste. Genevieve, Mo. has been awarded with the prominent title of "Master Dealer" from Vermeer Corporation for their hard work and loyalty. Vermeer is a Pella, Iowa based-agricultural and industrial equipment company. The "Masters" award is presented to the top Vermeer dealers who either reach or exceed specific sales, service, and dealership management criteria established by Vermeer.

Vermeer celebrated its 60th Anniversary this year; it has been a growing family business ever since the founder, Gary Vermeer, started it all in 1948 with a mechanical wagon hoist. Vermeer has come a long way since then, and now they manufacture a full line of haying equipment including round balers, mowers,

mower/conditioners, rakes, tedders, bale processors, silage wrappers, bale movers, and hay handling equipment; plus an additional line of industrial equipment that includes an assortment of equipment for tree, construction, environmental and underground utility service work. Vermeer has also expanded globally with locations in Beijing, Singapore, China, Holland, the Netherlands, and a joint venture in Germany; creating a much wider and more diverse group of customers for the corporation. Flieg's Equipment was recognized at the Anniversary Celebration by the son and daughter of Gary Vermeer, Bob Vermeer, Chairman and CEO, and Mary Andringa, President and CEO. Congratulations Flieg's Equipment for such a great year!  $\Delta$
