**This Ford 8N tractor is a 1949 year model and belongs to Charles Brown of Jackson, Mo. Charles's father-in-law had one just like this and tried to find the very tractor but couldn't. They bought this at a sale and was restored June '09. This tractor will also be in the tractor ride on July 25. Mr. Brown is also buying a new Boomer 8N to go with this 8N. He will have a new 2009 8N and a 1949 8N - 60 years difference.**
