

# Order New Illinois Agronomy Handbook Now And Get Free Shipping

**MT. VERNON, ILL.**

The new Illinois Agronomy Handbook, produced by the University of Illinois and Illinois State Water Survey, will soon be hot off the press. This brand-new edition has color illustrations throughout, and every chapter has been completely revised and updated with new data, information and guidelines.

The new handbook, revised for the first time in six years, is \$35. Place your advance order before April 1 and you'll get free shipping! You can order by phone, 1-800-345-6087, or by email, [pubsplus@illinois.edu](mailto:pubsplus@illinois.edu). If you prefer to order by postal mail, you can download the order form at the SI Agriculture website, <http://web.extension.uiuc.edu/regions/ag>. Δ
