

Rigid Global Components Hires Key Players In Industry

HOUSTON, TEXAS

Rigid Global Components adds father/son team their Sales Team – Royce Schneider and Stephen Schneider.

Rigid Global Components – complete manufacturer of metal roof and wall panels, recently filled two key sales positions. Royce Schneider joined Rigid as the Sales Manager and Stephen Schneider as a Territory Manager. Royce comes to Rigid with over 30 years experience in the Construction/ Metal Building / Metal Building Component industry. Working his way up from territory manager, regional sales manager, sales manager and VP of Sales Royce brings years of knowledge and expertise to this new position. Royce will be responsible for managing the outside sales for Rigid Global Components.

Along with Royce, Rigid Global Components also hired Stephen Schneider as Territory Manager. Stephen graduated from Texas State in 2002 and quickly jumped into the Metal Roofing Industry. Over the next 10 years Stephen

learned the ins and outs of the metal roofing industry specializing in mini storage, self storage and special projects selling projects over \$2 Million. As a Territory Manager for Rigid, Stephen will be responsible for the day to day sales for the Houston and surrounding areas including Louisiana.

Rigid Global Components manufactures a complete line of metal roof and wall panels including standing seam and through fasten panels and secondary structural members including cees and zees. Rigid also offers sustainable products such as Solar PV Lanimate and Solar Crystalline modules. In addition, all or Rigid's metal roof color selections are Energy Star approved. Rigid also offers products such as Rigidrock and StuccoLite to provide a finished look to any project.
