

Soil And Water Management Seminar Offers Continuing Education

EDWARDSVILLE, ILL.

Soil, water, and air interactions will be the focus of a Soil and Water Management Seminar sponsored by University of Illinois Extension on February 16, 2012. The workshop, hosted by University of Illinois Extension will in two locations locally. In Madison County it will be held in the Madison County Farm Bureau Auditorium, 900 Hillsboro Avenue, Edwardsville or in Monroe County is will be held in the Monroe County Annex Building, 901 Illinois Avenue, Waterloo. Presentations will be delivered via PowerPoint and webconferencing from 9 a.m. to 2:00 p.m. Lunch will be provided.

“Those attending will learn about the National Atmospheric Deposition Program, biochar, diseases of corn and residue management, tile biofilters, and irrigation scheduling,” says Duane Friend, U of I Extension Environmental Stewardship educator. Certified Crop Advisors

will receive 4.5 continuing education units in Soil and Water Management by attending this seminar.

Registration is \$45 per person, which includes lunch. The registration deadline is February 9. To register, send name, address, and payment to the location you wish to attend. To attend in Madison County make check payable to U of I Extension, and mail to University of Illinois Extension, 900 Hillsboro Avenue, P. O. Box 427, Edwardsville, IL 62025. To register for the Monroe County location, mail to University of Illinois Extension, 901 Illinois Avenue, P. O. Box 117, Waterloo, IL 62298. To register online visit: <http://web.extension.illinois.edu/mms> . If dietary or disability accommodations are needed, please indicate when registering.
