

# Tour Cotton With The UT Institute Of Agriculture

**JACKSON, TENN.**

The University of Tennessee Institute of Agriculture's annual Cotton Tour is scheduled for Wednesday, September 7, 2011, at the West Tennessee AgResearch and Education Center. Hosted by UT AgResearch and UT Extension, the event features eight informative presentations led by cotton, insect and weed specialists from across the region.

Cotton Tour will begin at 8:30 a.m. and conclude by 1:00 p.m. Registration begins at 8:00.

The list of presentations is as follows:

*Variety Selection, Performance, Effects of Planting Date, Cover Crops & Defoliation*, Dr. Chris Main, UT Extension/AgResearch

*Variety Response to Irrigation*, Dr. Tom Barber, University of Arkansas

*Deficit Irrigation of Cotton*, Dr. Brian Leib, UT

Extension

*Plant Response to Irrigation Regimes*, Mr. Matthew Wiggins, UT AgResearch

*Response of Cotton to Ignite Herbicide*, Dr. Darin Dodds, Mississippi State University

*Herbicide Resistant Weed Control in Cotton*, Dr. Larry Steckel, UT Extension

*Weed Competition in Cotton*, Ms. Kelly Barnett, UT AgResearch

*Insect Management: Thrips, Plant Bugs, Stink Bugs & Worms*, Dr. Scott Stewart, UT Extension

Continuing education units for Certified Crop Advisors and Pesticide Applicators will be available. Admission is free and open to the public. For more information, including directions to the West Tennessee AgResearch and Education Center, go to <http://west.tennessee.edu>. Δ
