

Washington County Agronomy Day Set For February 6

NASHVILLE, ILL.

The Washington County Agronomy Day will be held on Friday, February 6, 2009 at St. Paul's United Church of Christ Parish Hall in Nashville. Check-in and coffee is at 9:00 a.m. and the program starts at 9:30 a.m. Please pre-register by February 1, 2009 by phoning 327-8881 or register on-line at "<http://web.extension.uiuc.edu/washington>" <http://web.extension.uiuc.edu/washington> so adequate plans can be made for lunch.

Topics will include Conserving Your Crop Inputs by Mike Plumer; Age Appropriate Tasks for Youth, Reducing the Risk of Farm Vehicle Crashes on Public Roadways and General Farm

Safety Issues by Robert Aherin, PdD, SCP University of Illinois Professor, Agricultural Safety and Health Program Leader & AgrAbility Unlimited Program Director; Soil Fertility Economics, Biotechnology Innovations, 2008 in Review by Dennis Epplin; and Weed Management Issues for 2009 by Robert Bellm. Certified Crop Adviser credits will be available.

Registration is required for a lunch reservation, and is provided compliments of the sponsors. For more information, to register, or if you need a reasonable accommodation to participate in this program, please call Washington County Extension at 327-8881. Δ
